Features include color TV, double vanities, two double beds, bedside switch control, patios or balconies, and plenty of room.

Your car can vacation here, too.
Buses to the MAGIC KINGDOM stop at our front door, day and night. So you can leave your car at Howard Johnson's Main Gate and travel back and forth to the WALT DISNEY WORLD Resort by bus whenever you want. And while you're enjoying yourself on Space Mountain or 20,000 Leagues Under The Sea, your car can be taking it easy, where it will always be easy to find.

You can afford to be as hungry as a Country Bear.
If there's one name in America that's as well known as Walt Disney for creating wholesome, happy environments that families and friends can enjoy together on vacations and special trips, it's Howard Johnson's.

And Howard Johnson's Main Gate is one of the most outstanding anywhere. With something for every member of the family. We have all kinds of dishes for casual dining with the kids. From our famous fried clams, frankfurters, spaghetti and fried chicken, to 28 ice cream flavors. And grown-ups can also unwind with a refreshing cocktail in our newly redesigned dining room. With prices that take it nice and easy on your vacation budget.

Year after year, we're one of Florida's favorite attractions.
We're more than a convenient place to stay; we're a great place to play. With some terrific recreational facilities that'll help you feel relaxed and refreshed.

Our swimming area has a casual atmosphere, with two swimming pools: a big one for big people, a little one for the little ones.
